

Crime Stoppers Civilian of the Year Award - 2008
Sharon Marunchak

I would like to take this opportunity to support the nomination of Sharon Marunchak for the Crime Stopper 2008 Civilian of the Year Award.

As a new President, I looked to Sharon for guidance on a variety of issues over this past year and Sharon was always willing to share her knowledge of Crime Stoppers with me. She puts in countless hours and makes herself available, no matter who asks.

Sharon's passion for the Crime Stoppers program and her willingness to put her shoulder to the wheel has been invaluable to the local team and we would not have achieved the level of success that we did without her contribution.

Sharon is always coming up with new ideas about how to make our Program more effective and often passes ideas to the Provincial or International teams to consider.

The Board of Directors of Sudbury Rainbow Crime Stoppers wishes to thank Sharon for her tireless work and contribution to Crime Stoppers and heartily supports her nomination for Civilian Achievement Award.

Regards,
Marc Bidal
President
Sudbury Rainbow Crime Stoppers
